SUBJECT: Draft DoJ Views Letter on H.R. 917 - Request  
for Comments

1. Attached please find a copy of a draft views letter on H.R. 917 prepared by the Department of Justice. The draft has been referred by the Office of Management and Budget (OMB) to this Office for the Agency's comments. OMB advises us that the Department of Justice will testify before the Subcommittee on Civil Service, House Post Office and Civil Service Committee on Thursday, May 9, 1985 and that this letter will be the substance of that testimony. OMB further advises us that the Office of Personnel Management will also be testifying and that OPM's testimony will be sent out for coordination shortly. We would appreciate receiving your comments on the DoJ letter by Monday, May 6, 1985. As soon as the OPM testimony is received here, it will be sent out for comment on an expedited basis.

2. You will recall the Agency has already responded to a letter from Representative Dymally to the Director of Central Intelligence which sought certain general information about the Agency's practices in this area.

3. Initial review of the DoJ letter indicates that it would not be objectionable. Indeed, the letter makes several points which could be usefully made by the Agency should the need arise. In this regard, I direct your attention to the lines 10-13 of the first full paragraph on page 2 and the second full paragraph on page 3.

4. Comments or questions can be directed to me on Ext.
